**My name is Mira and  
I want to find my  
superpower!**

I wonder if I can see  
through walls with  
X-Ray vision?

No

Can you  
see me?

I wonder if I  
am invisible?

Ha!

Where is  
Mira?

Oh no! My  
brother Ali can  
still see me

I must try  
again!

I wonder if I can  
read minds?

Mira I do not think this is working

I cannot hear anything..

Oh no! I do not  
know what Ali  
is thinking

Hmmmm, think Mira...  
What is your  
superpower?

But wait, maybe  
I can run really  
fast?

Run  
Mira!!!

“Oh no you are  
very slow Mira,”  
said Ali

I am so tired,  
but I must not  
give up

So, if I have not got X-Ray  
vision. I am not invisible. I  
cannot read minds and  
cannot run fast. I wonder  
if I am super strong?

**“Oh no! This is too heavy  
for me to lift and hold.  
I have no superpower”  
said Mira sadly**

**Maybe I am  
not super at  
anything.**

**Poor Mira, she  
never gives up.  
Wait! That is her  
superpower!**

“You do have a  
superpower,  
Mira...” said Ali.

Do I?

“Yes, your superpower is  
that you are BRAVE!

You always try, you never  
give up, and you are not  
afraid to fail!”

An illustration of a boy and a girl inside a tent. The boy, on the left, has dark curly hair and is wearing a white long-sleeved shirt and pants, sitting on a purple mat with white spots. He has his arms raised in a gesture of surprise or excitement. The girl, on the right, has black hair in a braid and is wearing a pink top and a red skirt. She is sitting on a white pillow, holding a yellow gift box, and has her hands clasped in a prayer-like gesture. An open book lies on the ground next to her. A vertical brown pole supports the tent. The background is a blue wall with dark blue diagonal lines. Two white speech bubbles contain text.

Mira you  
are so brave

Thank  
you Ali

Mira was so happy she  
had found her very  
own superpower...

**Being Brave!**
