Sea world

Carefully designed to explore marine life, zoological education, and the relationship between humans and the ocean, our Education team has created quality learning experiences that ignite curiosity and inspire independent exploration.

The four-day program is designed around the following 4 themes:

Communication

This pillar will invite your child to engage in interactive games and activities that teach the importance of effective communication with others.

Play

Your child will be asked to join in playful games and challenges, inspired by the energetic behavior of marine animals, fostering teamwork and creativity in a fun and engaging environment.

Movement

We will motivate your child to embark on guided movement exercises inspired by marine animals, promoting physical activity and agility in an enjoyable and educational setting.

Family

We will inspire your child to explore the bonds that unite families in the animal world, and reflect on the importance of family in our own lives.

Age group: 7-12 Years

Duration: 15 July - 15 August

Location: Yas Island

For more information: [Click here](#)

Summer Camp Wonders

The Summer Kids Camp lets our little fans explore, learn and have fun. This multi-activity camp is tailored to children aged 3 to 12. Kids will engage in experiential learning based on our five key pillars: Sustainability, Culinary, Arts & Creative, Well-being, and Exploration

Each camp is centered around intriguing themes to allow kids to participate in unique and exciting activities related to these pillars, providing a comprehensive and holistic learning experience.

Age group: 3 to 12 years

Duration: 1 to 31 July: Under the Sea

1 to 30 August: Safari Adventure
